

*Life is opportunity*

*Life begins at conception.*

*Your soul is your life essence,  
it can become immortal.*

*After death, your soul can return  
to life in another body.*

*Reincarnation gives your soul the opportunity  
to evolve by learning the lessons of love  
through many life experiences.*

*Abortion denies a soul the opportunity  
to be in the right place at the right time  
with the right people.*

*Abortion denies a soul its right to evolve  
and fulfill its divine plan.*
